DEFINITIONS

The terms listed below are used throughout this Certificate and have a specific meaning when applied to your dental coverage.

These terms will always begin with a capital letter.

Accidental Injury means damage inflicted to the hard and soft tissues of the oral cavity resulting from forces external to the mouth.

Certificate means this benefit booklet. This Certificate describes the BlueCare dental coverage applicable to you (and your eligible dependents if you have Family Coverage).

Civil Union means a legal relationship between two persons, of either the same or opposite sex, established pursuant to or as otherwise recognized by the Illinois Religious Freedom Protection and Civil Union Act.

COBRA means the sections of the Consolidated Omnibus Budget Reconciliation Act of 1985 (Public Law 99-272), including any amendments to this Act, which regulate the conditions and manner in which an employer can offer continuation of group health and dental insurance to insureds and dependents whose coverage would otherwise terminate under the terms of this Certificate.

Copayment means a specific dollar amount that you are required to pay towards a covered service.

Coverage Date means the date on which your coverage under this Certificate begins.

Covered Service means an American Dental Association (ADA) approved dental procedure or treatment plan specified in this Certificate for which benefits will be provided. Such service or treatment plan must be delivered by: 1) a licensed dentist acting within the scope of his license; 2) a licensed physician performing dental services within the scope of his license; or 3) a licensed dental hygienist acting under the supervision and direction of a licensed dentist.

Course of Treatment means any number of orthodontic dental procedures performed by a dentist in a planned series following a dental examination that determines the need for these procedures.

- **Full Course of Treatment** means a complete and comprehensive banding of teeth in order to guide the teeth into their correct relationship (to correct a malocclusion). Treatment usually will involve both the upper and lower arches of the mouth. The length of treatment is about 24 months and should be followed by passive retention treatment.
- **Partial Course of Treatment** means any treatment which is less than a Full Course of Treatment. Treatment may not exceed 24 months. Treatment in progress means a person who is presently banded becomes

covered under this Certificate. Benefits for these situations should be clarified by contacting Blue Cross Blue Shield of Illinois at 1-800-323-7201.

- d) You and your Domestic Partner reside together and intend to do so indefinitely;
- e) You and your Domestic Partner have an exclusive mutual commitment similar to marriage; and
- f) You and your Domestic Partner are jointly responsible for each other's common welfare and share financial obligations.

Emergency Dental Care means the provision of dental care for a sudden, acute dental condition that would lead a prudent layperson, who possesses an average knowledge of dentistry, to reasonably expect the absence of immediate care to result in serious impairment to the dentition or would place the person's oral health in serious jeopardy.

Family Coverage means coverage under this Certificate for the employee of the Group and the employee's eligible dependents. All of the provisions of this Certificate that pertain to a spouse also apply to a party of a Civil Union, unless specifically noted otherwise.

Group means the employer of the Insured.

Individual Coverage means that only the employee of the Group is covered under this Certificate. His or her dependents are not covered.

Insured means the person who is the employee of the Group who has applied for dental coverage under this Certificate.

Medically Necessary means that a specific service provided to you or your dependents (if you have Family Coverage) is essential for the treatment or management of a symptom or condition. The service must be provided in the most efficient and economic manner. In addition, Medically Necessary means:

1. A generally accepted standard of practice for the particular situation being addressed.

COVERAGE INFORMATION

Eligibility

Blue Cross and Blue Shield has an agreement with your Group to provide dental benefits to you (and to your dependents if you have Family Coverage).

The term “**Group**” refers to a sole proprietor, partnership, corporation or other organization. The term “**Insured**” refers to the employee engaged in the normal activities of the Group who is employed on an active, full-time basis (as defined by the Group). The employment is reasonably expected to be permanent at the time the employee is hired and this Certificate goes into effect. New employees of the Group will become eligible for coverage on the first day of the month following the date notification of coverage is provided to Blue Cross and Blue Shield or on a date that is otherwise determined by the Group. Employees of the Group whose applications have been accepted by Blue Cross and Blue Shield shall receive dental coverage as provided in this Certificate.

Individual Coverage

If you have Individual Coverage, this means that only your dental expenses are covered under this Certificate. No other members of your family will be covered.

Family Coverage

If you have Family Coverage, this means that your dental expenses and the expenses of your eligible family members will be covered, according to the terms of your group contract.

Family Coverage is subject to the following rules:

- Your application for Family Coverage must include all of your eligible dependents on the date such application is made.
- Dependent coverage for a child born to you while you are covered under Family Coverage will be effective from the date of birth.
- If you acquire a dependent (other than through the birth of a child) while you are enrolled for Family Coverage, your Family Coverage for that dependent will go into effect upon receipt of your written notification to Blue Cross and Blue Shield and upon the completion of Blue Cross and Blue Shield’s membership change.

If you are the Insured, “**Dependent**” means:

1. Your legal spouse.
2. Your children or the children of your legal spouse who are under the limiting age specified in the Schedule of Dental Services.
3. Children who are in your custody in accordance with an interim court order prior to finalization of adoption or placement of adoption vesting temporary care of the children. Such children must be under the limiting age specified in the Schedule of Dental Services of this Certificate.

4. Your legally adopted children who are under the limiting age specified in the Schedule of Dental Services.
5. Your children who are under the limiting age specified in the Schedule of Dental Services and who are legally dependent upon you for support and maintenance while full-time students at an accredited institution of higher education.

In addition, enrolled unmarried children will be covered up to the age of 30 if they:

- Live within Blue Cross and Blue Shield's service area; and
 - Have served as an active or reserve member of any branch of the Armed Forces of the United States; and
 - Have received a release or discharge other than a dishonorable discharge.
6. Any children who are incapable of self-sustaining employment and are dependent upon you or other care providers for lifetime care and supervision because of a handicapped condition occurring prior to reaching the limiting age, will be covered regardless of age, as long as they were covered prior to reaching the limiting age specified in the Schedule of Dental Services of this Certificate.
 7. Your Domestic Partner and his or her children who are under the limiting age specified in the Schedule of Dental Services.
 8. Your dependent who is a party to a Civil Union and his or her children.

Payment of Premiums

Your Group will pay your premiums. The premiums are paid monthly in advance and any arrangement requiring you to reimburse your Group for a portion of the premium is entirely between you and your Group. Blue Cross and Blue Shield looks solely to the Group for payment of premiums.

Your Group will be allowed a grace period of 31 days for the late payment of premiums. During this period, this Certificate will remain in effect. If the Group fails to pay any premium, this Certificate will automatically terminate at the end of the grace period. Blue Cross and Blue Shield will not be obligated to give you or your Group notice if this Certificate is automatically terminated. However, if Blue Cross and Blue Shield accepts payment from the Group after the expiration of the grace period, your coverage will be reinstated as of that acceptance date.

If this Certificate is terminated for any reason, the Group will be liable for all premiums then due, including charges for any period this Certificate was in effect during a grace period.

Termination of Coverage

Your coverage under this Certificate (and the coverage of your dependents if you have Family Coverage) will end if:

1. you are no longer a covered employee with your Group; or

2. your Group fails to pay premiums; or
3. your Group terminates its BlueCare Dental Agreement with Blue Cross and Blue Shield.

Your dependent's coverage will automatically end if:

1. this Certificate is terminated; or
2. he or she ceases to be a dependent according to the definition of Dependent stated in the Family Coverage provision of this Certificate, or
3. he or she reaches the limiting age specified in the Schedule of Dental Services of this Certificate.

SPECIAL LIMITATIONS

Your dental benefits under this Certificate will be subject to the special conditions and limitations stated below.

Prosthodontics (Prosthetic appliances such as bridges, partial and full dentures)

A prosthetic appliance will be provided only once in every 4-year period. However, your existing appliance must be unserviceable or not functional (as determined by your dentist). The 4-year period will begin on the date on which the existing appliance was last supplied. The term “existing” means an appliance that was in place on and before the 4-year period begins.

The following appliances will be covered as indicated below:

1. **Fixed versus Removable Appliance.** If there are multiple spaces in the same arch, benefits will be provided for a removable appliance. If one or more missing teeth in the same arch can be replaced using a maximum of 4 units (a combination of retainers and pontics), benefits will be provided for a fixed bridge. If more than 4 units are required, benefits will be provided for a removable appliance.
2. **Recementation.** Recementation of inlays, crowns, bridges and Maryland bridges initially placed by your Dental Center will not be charged to you (within the first 12 (twelve) months). Recementation of pre-existing inlays, crowns, bridges and Maryland bridges not placed by your Dental Center will be provided according to the actual fee-for-service normally charged.
3. **Partial Dentures.** Benefits for a removable appliance will be provided if a satisfactory result can be achieved by a standard cast chrome and/or acrylic partial denture, but if you and your dentist select a more personal appliance or one involving special techniques, benefits under this Certificate will be limited to the benefits appropriate to those procedures necessary to eliminate oral disease and restore missing teeth. The balance of the cost will be your responsibility.
4. **Complete Dentures.** If a satisfactory result can be achieved by using standard procedures and materials, but you and your dentist select a more personal appliance or one which may involve a special technique, benefits under this Certificate will be limited to those procedures necessary to eliminate oral disease and restore missing teeth. The balance of your cost will be your responsibility.
5. **Overdenture.** If an overdenture is the treatment you choose, benefits will be provided to the limits of a standard denture. All other related services or procedures will not be covered.
6. **Temporary Full or Partial Dentures.** If you decide to have a temporary appliance instead of the conventional prosthesis, your copayment will be the same as that applicable to the conventional prosthesis (and you will have used the benefit available for the 4-year period).

7. **Prosthetic Appliances.** Crowns, bridges, partial and complete dentures placed over an implant are covered at the standard benefit level and copayment listed.

Crowns, Inlays/Onlays (Silver or tooth colored fillings, inlays, porcelain, metal, or porcelain to metal crowns)

1. Inlays, porcelain, metals, or porcelain to metal crowns. If a tooth can be restored with amalgam or composite resins, these materials will be used to restore the tooth. The judgment will be up to the dentist providing the service.
2. Restorations for abrasion, erosion and attrition will be covered only when a clinical recommendation has been made by your dentist.
3. Crowns, bridges, partial and complete dentures placed over an implant are covered at the standard benefit level and copayment listed.

Mouth Rehabilitation

If you and your dentist agree to select a course of mouth rehabilitation, your benefits under this Certificate will be limited to covering only those procedures necessary to eliminate oral disease and replace missing teeth. The balance of the cost of your treatment, including costs to increase vertical dimension or restore the occlusion, will be your responsibility.

Referrals to Specialists

Benefits, excluding emergency care, will be provided for services received from a specialist only when the referral has been made by your primary dentist and when proper authorization has been obtained prior to treatment or referral.

EXCLUSIONS

The following treatments, procedures or costs are not covered under this Certificate.

General Exclusions

1. Services not specifically mentioned in this Certificate.
2. Procedures which were begun but not completed prior to coverage under this Certificate.
3. Dental treatment for cosmetic purposes.
4. Dental service performed in a hospital, including any related hospital fee, unless you have received written authorization.
5. Procedures deemed experimental by prevailing dental standards.
6. Treatment of congenital malformation, including but not limited to cleft palate, anodontia, mandibular prognathism and enamel hypoplasia in the absence of dental carries.
7. Treatment which, in the professional judgment of the attending dentist, will not produce a satisfactory result.
8. Major restorative work caused by orthodontic treatment.
9. The placement of bone graft or synthetic substances in the treatment of periodontal disorders.
10. Dental implants, transplants or augmentation and any diagnostic or definitive treatment related to implants, transplants or augmentations.
11. Tissue conditioning procedures.
12. Second opinions.
13. Accidental injury, except as provided under palliative emergency treatment.
14. The cost of services received from physicians, dentists, oral surgeons or dental offices outside of your selected Dental Center, unless you have received written authorization from your Dental Center (or as indicated under the Emergency Treatment provisions of this Certificate).
15. Treatment for any condition to the extent to which benefits are recovered or found to be recoverable, whether by adjudication or settlement under any Workers Compensation, Occupational Disease or other law, even though you or your dependents fail to claim the right to such benefits.
16. Diagnostic procedures related to non-covered services.
17. Splinting procedures.
18. Treatment for any disease, condition, or injuries received as a result of war, declared or undeclared, or if caused by atomic explosion, whether or not the result of war.

19. Treatment obtained from, or which payment is made by, any federal, state, county, municipal, or other governmental agency, including any foreign government.
20. Temporomandibular joint (TMJ) disorders or dysfunctions and related services.
21. General anesthesia and IV sedation without documented medical necessity. Allergy to local anesthesia must be documented by a licensed physician following testing procedures. If you decide to have general anesthesia or IV sedation without obtaining medical documentation and this requires a referral to a dental office not affiliated with the Network, or a referral to a dental office affiliated with the Network but not responsible for providing the covered services specified in the Schedule of Dental Services, benefits will not be provided for these services.
22. Orthodontic Treatment.

COORDINATION OF BENEFITS

If you should receive payment under another group policy, certificate or agreement providing the same kind of dental benefits that this Certificate provides, Blue Cross and Blue Shield or your Dental Center shall have the right to recover such payments from you, to the extent such recovery is consistent with the priority of benefit applications indicated in this section.

When the total value of benefits or services you are entitled to under this Certificate and under any other group contract exceeds your actual expense (including the premiums), Blue Cross and Blue Shield or your Dental Center reserves the right to reduce the total benefits and services provided under this Certificate so that the benefits will not exceed the total expense for the covered services received.

If any other group contract contains provisions establishing similar rules as those stated below, then the benefits under this Certificate and the other group contract will be determined by applying the following rules:

1. The benefits of the group contract which covers the person with the claim as an Insured rather than as a dependent will be determined before the benefits of the group contract which covers that person as a dependent.
2. The benefits of the group contract which covers a dependent as the *Relative* (that is, a person who is entitled to benefits under this Certificate because of a connection or relationship to the Insured) of a person whose date of birth (but not year of birth) occurs earlier in a calendar year will be determined before the benefits under any other group contract which covers that dependent as a Relative of a person whose date of birth (but not year of birth) occurs later in the calendar year. If the dependent's Relatives have the same date of birth (but not year of birth), the benefits under the group contract covering the dependent as a Relative of the person whose group policy has been in effect for the longer period of time will be determined first - except that if the claim is for a dependent child, the following rules will apply:
 - (i) when the parents are separated or divorced and the parent with custody of the child has not remarried, the benefits of the group contract which covers the child as a dependent of the parent with custody of the child will be determined before the benefits of the group contract which covers the child as a dependent of the parent without custody.
 - (ii) when the parents are divorced and the parent with custody of the child has remarried, the benefits of the group contract which covers the child as a dependent of the parent with custody will be determined before the benefits of the group contract which covers that child as a dependent of the stepparent and the benefits of the group contract which covers the child as a dependent of the stepparent will be determined before the benefits of a plan which covers that child as a dependent of the parent without custody.

Despite the provisions stated above, if there is a court decree which establishes financial responsibility for the dental care expenses of the child, the benefits of the group contract which covers the child as a dependent of the parent with such financial responsibility will be determined before the benefits of the group contract which covers the child as a dependent child.

3. When the rules stated above do not establish an order of benefit determination, the benefits of the group contract which has been in effect for the longer period of time will decide, provided that:
 - (i) the benefits of the group contract covering the person with the claim as a laid-off or retired employee or as the dependent of a laid-off or retired employee will be determined after the benefits of the group contract covering such person as an employee who is not laid off or retired; and
 - (ii) if any group contract does not have a provision regarding laid-off or retired employees and the group contract determines its benefits after this contract, then the provisions of (i) above will not apply.

If the other group contract does not contain provisions establishing the same rules as set forth in this section, then the benefits under the other group contract will be determined before the benefits under this Certificate.

CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Law)

The purpose of this section of your Certificate is to explain the options available for continuing your coverage after termination, as it relates to Illinois state legislation. The provisions which apply to you will depend upon your status at the time of termination. The provisions described in Article A will apply if you are the former spouse of or former party to a Civil Union with the Insured who has died or from whom you have been divorced or from whom your Civil Union has been dissolved. The provisions described in Article B will apply if you are the dependent child of the Insured who has died or if you have reached the limiting age under this Certificate and not eligible to continue coverage as provided in Article A.

Your continued coverage under this Certificate will be provided only as specified below. Therefore, after you have determined which Article applies to you, please read the provisions very carefully.

ARTICLE A: Continuation of Coverage if you are the former spouse of the Insured or spouse of a retired Insured

If the coverage of the spouse of the Insured should terminate because of the death of the Insured, a divorce from the Insured, dissolution of a Civil Union from the Insured, or the retirement of an Insured, the former spouse or retired Insured's spouse if at least 55 years of age will be entitled to continue the coverage provided under this Certificate for himself/herself and his/her eligible dependents (if Family coverage is in effect at the time of termination). However, this continuation of coverage option is subject to the following conditions:

1. Continuation will be available to you as the former spouse of an Insured or spouse of a retired Insured only if you provide the employer of the Insured with written notice of the dissolution of marriage, or Civil Union, the death or retirement of the Insured within 30 days of such event.
2. Within 15 days of receipt of such notice, the employer of the Insured will give written notice to Blue Cross and Blue Shield of the dissolution of your marriage to or Civil Union with the Insured, the death of the Insured or the retirement of the Insured as well as notice of your address. Such notice will include the Group Number and the Insured's identification number under this Certificate. Within 30 days of receipt of notice from the employer of the Insured, Blue Cross and Blue Shield will advise you at your residence, by certified mail, return receipt requested, that your coverage under this Certificate may be continued. Blue Cross and Blue Shield's notice to you will include the following:
 - a. a form for election to continue coverage under this Certificate.
 - b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.

- c. instructions for returning the election form by certified mail, return receipt requested, within 30 days after the date of mailing receipt of such instruction by Blue Cross and Blue Shield.
3. In the event you fail to provide written notice to Blue Cross and Blue Shield within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a former spouse or spouse of a retired Insured under this Certificate as a result of the dissolution of marriage or Civil Union, the death or the retirement of the Insured. Your right to continuation of coverage will then be forfeited.
4. If Blue Cross and Blue Shield fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of Blue Cross and Blue Shield's notice was to be sent are terminated as to all Insureds under this Certificate.
5. If you have not reached age 55 at the time your continued coverage begins, the monthly charge will be computed as follows:
 - a. an amount, if any, that would be charged to you if you were an Insured, with Individual or Family Coverage, as the case may be, plus
 - b. an amount, if any, that the employer would contribute toward the charge if you were the Insured under this Certificate.

Failure to pay the initial monthly charge within 30 days after receipt of notice from Blue Cross and Blue Shield as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

6. If you have reached age 55 at the time your continued coverage begins, the monthly charge will be computed for the first 2 years as described above. Beginning with the third year of continued coverage, an additional charge, not to exceed 20% of the total amounts specified in (5) above will be charged for the costs of administration.
7. Termination of Continuation of Coverage:

If you have not reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:

 - a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
 - b. on the date coverage would otherwise terminate under this Certificate if you were still married to or in a Civil Union with the Insured; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Insured's death or entry of judgment dissolving the marriage or Civil Union existing between you and the Insured, except in the event this entire Certificate is modified or terminated.

- c. the date on which you remarry or enter another Civil Union.
 - d. the date on which you become an insured employee under any other group health plan.
 - e. the expiration of 2 years from the date your continued coverage under this Certificate began.
8. If you have reached age 55 at the time your continued coverage begins, your continuation of coverage shall end on the first to occur of the following:
- a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
 - b. on the date coverage would otherwise terminate, except due to the retirement of the Insured, under this Certificate if you were still married to or in a Civil Union with the Insured; however, your coverage shall not be modified or terminated during the first 120 consecutive days following the Insured's death, retirement or entry of judgment dissolving the marriage or Civil Union existing between you and the Insured, except in the event this entire Certificate is modified or terminated.
 - c. the date on which you remarry or enter another Civil Union.
 - d. the date on which you become an insured employee under any other group health plan.
 - e. the date upon which you reach the qualifying age or otherwise establish eligibility under Medicare.
9. If you exercise the right to continuation of coverage under this Certificate you shall not be required to pay charges greater than those applicable to any other Insured covered under this Certificate, except as specifically stated in these provisions.
10. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

ARTICLE B: Continuation of Coverage if you are the dependent child of the Insured

If the coverage of a dependent child should terminate because of the death of the Insured and the dependent child is not eligible to continue coverage under ARTICLE A or the dependent child has reached the limiting age under this Certificate, the dependent child will be entitled to continue the coverage provided under this Certificate for himself/herself. However, this continuation of coverage option is subject to the following conditions:

- 1. Continuation will be available to you as the dependent child of an Insured only if you, or a responsible adult acting on your behalf as the dependent

child, provide the employer of the Insured with written notice of the death of the Insured within 30 days of the date the coverage terminates.

2. If continuation of coverage is desired because you have reached the limiting age under this Certificate, you must provide the employer of the Insured with written notice of the attainment of the limiting age within 30 days of the date the coverage terminates.
3. Within 15 days of receipt of such notice, the employer of the Insured will give written notice to Blue Cross and Blue Shield of the death of the Insured or of the dependent child reaching the limiting age, as well as notice of the dependent child's address. Such notice will include the Group number and the Insured's identification number under this Certificate. Within 30 days of receipt of notice from the employer of the Insured, Blue Cross and Blue Shield will advise you at your residence, by certified mail, return receipt requested, that your coverage under this Certificate may be continued. Blue Cross and Blue Shield's notice to you will include the following:
 - a. a form for election to continue coverage under this Certificate.
 - b. notice of the amount of monthly charges to be paid by you for such continuation of coverage and the method and place of payment.
 - c. instructions for returning the election form within 30 days after the date it is received from Blue Cross and Blue Shield.
4. In the event you, or the responsible adult acting on your behalf as the dependent child, fail to provide written notice to Blue Cross and Blue Shield within the 30 days specified above, benefits will terminate for you on the date coverage would normally terminate for a dependent child of an Insured under this Certificate as a result of the death of the Insured or the dependent child attaining the limiting age. Your right to continuation of coverage will then be forfeited.
5. If Blue Cross and Blue Shield fails to notify you as specified above, all charges shall be waived from the date such notice was required until the date such notice is sent and benefits shall continue under the terms of this Certificate from the date such notice is sent, except where the benefits in existence at the time of Blue Cross and Blue Shield's notice was to be sent are terminated as to all Insureds under this Certificate.
6. The monthly charge will be computed as follows:
 - a. an amount, if any, that would be charged to you if you were an Insured, plus
 - b. an amount, if any, that the employer would contribute toward the charge if you were the Insured under this Certificate.

Failure to pay the initial monthly charge within 30 days after receipt of notice from Blue Cross and Blue Shield as required in this Article will terminate your continuation benefits and the right to continuation of coverage.

7. Continuation of Coverage shall end on the first to occur of the following:

- a. if you fail to make any payment of charges when due (including any grace period specified in the Group Policy).
 - b. on the date coverage would otherwise terminate under this Certificate if you were still an eligible dependent child of the Insured.
 - c. the date on which you become an insured employee, after the date of election, under any other group health plan.
 - d. the expiration of 2 years from the date your continued coverage under this Certificate began.
8. If you exercise the right to continuation of coverage under this Certificate, you shall not be required to pay charges greater than those applicable to any other Insured covered under this Certificate, except as specifically stated in these provisions.
 9. Upon termination of your continuation of coverage, you may exercise the privilege to become a member of Blue Cross and Blue Shield on a “direct pay” basis as specified in the Conversion Privilege of the ELIGIBILITY SECTION of this Certificate.
 10. If this entire Certificate is cancelled and another insurance company contracts to provide group health insurance at the time your continuation of coverage is in effect, the new insurer must offer continuation of coverage to you under the same terms and conditions described in this Certificate.

CONTINUATION OF COVERAGE FOR PARTIES TO A CIVIL UNION

The purpose of this provision of your Certificate is to explain the options available for temporarily continuing your coverage after termination if you are covered under this Certificate as the party to a Civil Union with the Insured or as the dependent child of a party to a Civil Union. Your continued coverage under this Certificate will be provided only as specified below. Please read the provisions very carefully.

Continuation of Coverage

If you are a dependent who is a party to a Civil Union or their child and you lose coverage under this Certificate, the options available to a spouse or to a dependent child are described in the CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws) provision of this Certificate.

In addition to the events listed in the CONTINUATION OF COVERAGE AFTER TERMINATION (Illinois State Laws) provision, if applicable, continuation of coverage is available to you and your dependent children in the event you lose coverage because your Civil Union partnership with the Eligible Person terminates. Your Civil Union will terminate if your partnership no longer meets the criteria described in the definition of “Civil Union” in the DEFINITIONS section of this Certificate. You are entitled to continue coverage for the same period of time as a spouse or child who loses coverage due to divorce.

CONTINUATION COVERAGE FOR DOMESTIC PARTNERS

The purpose of this provision of your Certificate is to explain the options available for temporarily continuing your coverage after termination, if you are covered under this Certificate as the Domestic Partner of an Eligible Person or as the dependent child of a Domestic Partner. Your continued coverage under this Certificate will be provided only as specified below. Please read the provisions very carefully.

Continuation Coverage

If you are the Domestic Partner or the dependent child of a Domestic Partner and you lose coverage under this Certificate, you have the same options as the spouse or dependent child of an Eligible Person to continue your coverage. The options available to a spouse or to a dependent child as described in the CONTINUATION COVERAGE AFTER TERMINATION (Illinois State Laws) provision of this Certificate are available to you, if applicable to your Group. In addition, coverage similar to the options described in the **CONTINUATION COVERAGE RIGHTS UNDER COBRA** provision of this Certificate, will also be available to you.

NOTE: Certain employers may not be required to offer COBRA continuation coverage. See your Group Administrator if you have any questions about COBRA, or your continuation coverage options.

In addition to the events listed in the CONTINUATION COVERAGE AFTER TERMINATION (Illinois State Laws) provision **and CONTINUATION COVERAGE RIGHTS UNDER COBRA**, if applicable, continuation coverage is available to you and your eligible spouse, party to a Civil Union, Domestic Partner and/or dependents children in the event you lose coverage because your Domestic Partnership with the Eligible Person terminates. Your Domestic Partnership will terminate if your partnership no longer meets the criteria described in the definition of “Domestic Partnership” in the DEFINITIONS section of this Certificate. You are entitled to continue coverage for the same period of time as a spouse or child who loses coverage due to divorce.

CONTINUATION COVERAGE RIGHTS UNDER COBRA

This CONTINUATION COVERAGE RIGHTS UNDER COBRA provision does not apply to your dependent who is a party to a Civil Union and their children, or to your Domestic Partner and their children.

NOTE: Certain employers may not be affected by CONTINUATION OF COVERAGE AFTER TERMINATION (COBRA). See your employer or Plan Administrator should you have any questions about COBRA.

Introduction

You are receiving this notice because you have recently become covered under your employer's group health plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage.

For additional information about your rights and obligations under the Plan and under federal law, you should review the Plan's Summary Plan Description or contact the Plan Administrator.

What Is COBRA Continuation Coverage

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced; or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse’s hours of employment are reduced;
- Your spouse’s employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes enrolled in Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following qualifying events happen:

- The parent-employee dies;
- The parent-employee’s hours of employment are reduced;
- The parent-employee’s employment ends for any reason other than his or her gross misconduct;
- The parent-employee becomes enrolled in Medicare benefits (under Part A, Part B, or both);
- The parents become divorced or legally separated; or
- The child stops being eligible for coverage under the Plan as a “dependent child.”

If the Plan provides health care coverage to retired employees, the following applies: Sometimes, filing a proceeding in bankruptcy under title 11 of the United States Code can be a qualifying event. If a proceeding in bankruptcy is filed with respect to your employer, and that bankruptcy results in the loss of coverage of any retired employee covered under the Plan, the retired employee will become a qualified beneficiary with respect to the bankruptcy. The retired employee’s spouse, surviving spouse, and dependent children will also become qualified beneficiaries if bankruptcy results in the loss of their coverage under the Plan.

When Is COBRA Coverage Available?

The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, in the event of retired employee health coverage, commencement of a proceeding in bankruptcy with respect to the employer, or the employee’s becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. Contact your employer and/or COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

How Is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability Extension Of 18-Month Period Of Continuation Coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Contact your employer and/or the COBRA Administrator for procedures for this notice, including a description of any required information or documentation.

Second Qualifying Event Extension Of 18-Month Period Of Continuation Coverage

If your family experiences another qualifying event while receiving 18 months of COBRA continuation coverage, the spouse and dependent children in your family can get up to 18 additional months of COBRA continuation coverage, for a maximum of 36 months, if notice of the second qualifying event is properly given to the Plan. This extension may be available to the spouse and dependent children receiving continuation coverage if the employee or former employee dies, becomes entitled to Medicare benefits (under Part A, Part B, or both), or gets divorced or legally separated or if the dependent child stops being eligible under the Plan as a dependent child, but only if the event would have caused the spouse or dependent child to lose coverage under the Plan had the first qualifying event not occurred.
