

Smile! You Have BlueCare Dental PPOSM

BlueCare Dental PPO offers you and your family access to one of the largest national dental PPO provider networks.¹

This network includes general and specialty dentists in Illinois as well as across the country. As a BlueCare Dental PPO plan member, you can go to any dentist. However, you'll save money and get more from your benefits when you use an in-network dentist. These in-network dentists have agreed to:

- Accept set fees for covered services
- Not bill you for costs over the negotiated fees (except copayments, coinsurance and deductibles)

If you choose an out-of-network dentist, he or she may have higher fees and charge you for amounts not covered by your insurance. To get the most from your benefits, choose an in-network dentist.

Finding an In-Network Dentist is Easy

For a list of in-network general and specialty dentists, go to bcbsil.com/cityofchicago, click **Coverage**, click **Dental Benefits** and then select **Search for a dentist near your home or office**. You can search for a dentist that is convenient for you.

Dedicated Customer Service
